

*Quite possibly the
best white wine*

BODEGAS
ARADÓN

VILLAGE WINE
D.O. Calificada Rioja

13% vol.

VARIETIES:
60% Viura, 40% White Garnacha.

VINEYARD:
All of our wines are blended from grapes grown in our own vineyards and are steeped in the natural heritage to be found in the vicinity of the villages of Alcanadre and Ausejo. We grow only authentic varieties native to the area: 60-year-old Viuras located between 400-600 metres above sea level; and white Garnacha grown on hillsides composed of clay-limestone soil.

WINEMAKING:
Made from grapes pressed with the utmost care in an inert atmosphere. The subsequent free-run juice is settled and undergoes the process of alcoholic fermentation at a controlled temperature.

AGEING:
Aged for 4 months on its lees.

PRESENTATION:
75cl bottles in cases of 6 or 12 bottles.

TASTING NOTES:
The wine's aroma will transport you to a field of gentle **white flowers**. Undertones of **tropical fruits** with notes of **Jasmine**. Smooth on the palate, with a wonderfully **fresh** touch of **citrus**. So subtle and **elegant** that you'll want to sit back, **relax** and let yourself go.

IDEAL SERVING TEMPERATURE:
8-10 °C

PAIRING:
Pasta dishes, grilled fish, seafood, salads, pizza, chicken, mushrooms, rice, vegetables, and any starters, appetizers or tapas.
