ARADÓN

VILLAGE WINE
D.O. Calificada Rioja

14% vol.

VARIETIES:

90 % Tempranillo, 10 % Garnacha.

VINEYARDS:

All of our wines are blended from grapes grown in our own vineyards and are steeped in the natural heritage to be found in the vicinity of the villages of Alcanadre and Ausejo. Vines grown in shallow loam, on gentle slopes.

WINEMAKING:

Harvested at their optimal ripeness, the grapes are destemmed and undergo a process of cold maceration. Alcoholic fermentation follows, with gentle and continuous pumping over, allowing for the extraction of the elegant aromas that characterise the grapes of this region.

PRESENTATION:

75cl bottles in cases of 6 or 12 bottles.

TASTING NOTES:

Bursting with lively and fresh aromas which bring to life thoughts of these **Spanish villages**; their people and celebrations. A full bodied young wine with a **wild** temperament. It leaves a pleasingly **long finish** and an aftertaste of **red fruits and licorice**.

IDEAL SERVING TEMPERATURE:

14-16 °C

PAIRING:

Red meats, luncheon and cured meats, mild cheeses, and any starters, appetizers or tapas.
